RE: NOTICE OF TERMINATION OF WASTE MANAGEMENT SERVICES

Dear Sir,

I _____ in my capacity as _____ and duly authorised signatory of _____
am hereby giving you notice to terminate all waste collections and agreements from the business premise(s), stated below:

This is expressly my own correspondence, constitutes my letterhead, is signed and authorised by me and is clearly not that of a third party. Furthermore, I can also confirm that I am serving the notice directly upon you for which I have proof of receipt. Should you wish to be provided with a copy of that receipt, I would be happy to provide it, but that will incur a £50 charge to cover the unnecessary administration time to do so, which you should understand will apply, prior to making any such request.

I am terminating the provision of waste management services with you, as I have already entered into a contract going forward to supply waste management services with another waste management company. Having now entered into such a contract, it would not be legal for me to ignore this contractual situation and keep your service in place. At this stage, any, after the event revised offers made by you, would only be a clear act of tortious interference with the contract you now know that I have entered into, with another party, and I am not in a position to accept. Furthermore, tortious interference aside, such an offer would leave me paying for two contracts, not one.

In the first instance, if no formal contract exists between our two respective businesses, then I wish for all waste services to cease 28 Days from the date of receipt of this letter, which I have purposefully sent via Royal Mail's recorded delivery service! In the second instance, whereby a contract may exist, then I would like you to provide me with a copy of the said contract and the terms and conditions that apply to that contract, within the 28 Day period, as stated above, from the date of receipt of this letter. If such a contract does exist and the date of receipt of this letter currently falls within the termination criteria as set out in any such contract, then please accept this letter as notice to terminate that contract. Please note failure to provide me with any such contract within this 28-day period will be deemed as acceptance from both parties that no such agreement is in place and that all services provided by you will cease immediately thereon and that any equipment belonging to you will be removed. In the third instance, whereby an agreement may exist and you kindly supply me with a copy as requested within the 28-day period, I will of course abide by the terms and conditions of any such contract and apply my notice of termination accordingly!

As our appointed waste broker/carrier and agent, from hereon, SkipsAndBins.com Ltd have full authority to act on our behalf relating to my waste contract with all correspondence from you regarding my waste management services and/or any relating contract must now be sent to: **SkipsAndBins.com Ltd, Hawthorne House, Blackthorn Way, Sedgelych Industrial Estate, Fencehouses, Tyne and Wear, DH4 6JN, United Kingdom.**

Please note, failure to comply with this instruction AND/OR any further direct contact, i.e. contact not made through my appointed waste broker as explicitly instructed, WILL result in administrative charges of £50 per instance, being incurred by you. There is an expectation that Limited Companies and PLC's will conduct themselves appropriately when dealing with my termination instruction, which would avoid; such a charge being incurred, any unpleasantness, and, a resulting complaint being made to an appropriate regulatory body and/or legal proceedings, including but not limited to anti-competitive practices, and abuse of a dominant market position.

Yours Faithfully,
